**NOTICE TO THE MARKET**

A MLog S.A. (“Company”), informs that the Board of Directors elected, on an interim basis, Mr. Elias David Nigri as Chief Executive Officer (CEO). Mr. Nigri will lead the Company through the corporate reorganization as per the Material Fact released on April, 25, 2018. His election on an interim basis refers to this restructuring agenda and its impact in the daily activities of the Company.

Mr. Nigri has more than 30 years of experience in the logistics and mining sector and in infrastructure projects. He has an extensive career at Vale, including as Chief Logistics Officer. He is a former Chief Mining Officer at Companhia Siderurgica Nacional – CSN, Chief Executive of governmental concessions in the railway sector (Ferroban, Novoeste, Ferronorte e Ferrovia Centro Atlântica) and in the operation of land terminals and port terminals. He is also former member of the Board of Directors of several companies in the logistics and mining sectors such as Docenave (Vale), CFN, Sepetiba Tecon, Ferroban, Rio Doce Pasha and Nova Era Silicon, and of the sector association ANTF. Mr. Nigri holds a degree in Civil Engineering, a MBA in Finance and has lectured at the civil engineering department of PUC-RJ University.
